“ Ethelyn:
My heart goes out to you as you mourn the loss of your sister, Janice. My thoughts and prayers are with you and your family during this difficult time. My mom and I really enjoyed being with you and Janice on the trips with Traveling Friends. I've been carrying this poem in my wallet since my dad died 32 years ago and it comforts me when I read it. With the recent passing of my mom it has become even more meaningful and comforting. I hope you will find it comforting and meaningful too.

Death Is Nothing At All

Death is nothing at all.

It does not count.

I have only slipped away into the next room.

Nothing has happened.

Everything remains exactly as it was.

I am I, and you are you, and the old life that we lived so fondly together is untouched, unchanged.

Whatever we were to each other, that we are still.

Call me by the old familiar name.

Speak of me in the easy way which you always used.

Put no difference into your tone.

Wear no forced air of solemnity or sorrow.

Laugh as we always laughed at the little jokes that we enjoyed together. Play, smile,

think of me, pray for me.

Let my name be ever the household word that it always was.

Let it be spoken without an effort, without the ghost of a shadow upon it. Life means all that it ever meant.

It is the same as it ever was.

There is absolute and unbroken continuity.

What is this death but a negligible accident

Why should I be out of mind because I am out of sight

I am but waiting for you, for an interval, somewhere very near, just round the corner.

All is well.

Nothing is hurt; nothing is lost.

One brief moment and all will be as it was before.

How we shall laugh at the trouble of parting when we meet again!

“ I shocked to hear of the passing of Jan Fulton earlier this week.I met Jan back in 2005 when I started a job as RN,Nurse Practitioner at St. Michael's Medical Center in Cardiology.Her specialty, as a Cardiac Nurse Practitioner, was electrophysiology/Pacemakers/ and other devices. She worked closely with the Cardiologists in caring for cardiac patients. She treated her patients with care and compassion. Each patient was treated as unique and special and was always available if they needed her.She was a role model for me and epitomizes the role and concept of how a NP should practice. Besides this, her friends, and family, she was very active in her Church. She will be deeply missed by all whose lives were blessed by knowing Janice.
My sincere condolences to her family and friends. May she rest in peace.

“ To Ethelyn and family,
I am so sorry to read of Janice's passing. I enjoyed reconnecting with her after she retired as we remembered our Hazelwood/Orchard St neighborhood, Fairview School, and Westminster. Prayers to you all as you find comfort remembering Janice's kind and giving heart.

“ When I think of all the support you gave my mom and dad and Uncle Charles, words cannot express my gratitude. I imagine they're echoing those sentiments right now. Nurses are very special people and you were the best of the best. Will miss our holiday gatherings and fun adventures, but I know you'll now be having some even greater ones. Be sure to save me a place.

God loves you and so do I,
Cousin John

“ Jan was beautiful person who inspired and mentored so many nurses during her lifetime. She made my transition from a nurse manager to a critical care nurse so exciting. I feel so blessed to have spent an afternoon with you most recently catching up and reminiscing about our years working together. My heart is so heavy after hearing of your passing. Rest In Peace my dear friend. Heaven absolutely gained a very special angel
