“ Linda and I met at Imaginarium Book Imajun Convention in Louisville KY. She started talking to me about a book she would like to publish. She even had the hand typed Manuscript with her. I took it typed it up in digital form and told her I would publish it for her. She cried, I cried and now her memory will be honored forever.

“ Linda I am truly going to miss you so much As a I am so sure that your family is too. We related, me being an RN and with my work injury you fought tooth and nail to ensure I was given the BEST and proper treatment if it had not been for you I would not have my leg nor would I have my life. You gave me a friendship I will treasure for the rest of my life you were always just a phone call away or a reach out thru private message on FB I knew I always had a true friend I could rely on when times were tough and that we could each share our sadtimes and one of us would get the other to laugh and then go into to a funny thing that had happened. You are my Hero Linda my one and only true Hero Rest In Peace and Peace May you always now have our Gracious Lord has brought you home where someday we will meet up again and have a BIG HUG

“ Linda and I were also Mountainside Hospital nursing school buddies. I will be forever grateful for having known her. We had more fun and exciting adventures together. Her wit and sense of humor always kept me laughing. There are many heart warming memories. She has gone too soon but obviously Heaven needed another angel. I am hoping she is resting in peace and serenity. Until we meet again my wonderful friend . With deepest sympathy to the family. Donna Fream Class of 1967
