“ Our love and prayers to the Bennet family during this difficult time. I only have very fond and loving memories of my work with Sam throughout the years. He was always supportive of our work. We spend many days together traveling through Puerto Rico and VI. As we were visiting the different Salvation Army units, we got to know each other as we talked about family and work. He always expressed his love for his wife and pride for his children.

“ Sam was a long time friend, that I worked with on many occasions throughout my Officership. He always exemplified the love of Christ, and had a vibrant Christian witness!

He often spoke of the wonderful family he had, and the closeness they shared.

His passion for his work was evident, and always attributed it to his commitment to Christ through the Salvation Army.

Thank you Sam, for touching my life, and that of my late wife Deb! You have blessed

us beyond words dear friend!

Rest now in the loving arms of Jesus, for all eternity!

My prayers for your lovely wife, and precious children you held so dear!

God's richest blessings,

Major Ron Lugiano

“ Praying for the Bennett family during this difficult time. He made such an impact on a lot of people throughout his lifetime. He will be greatly missed. I will miss his smiling face as I come into the chapel on Sunday mornings, he always had a kind word to say and he was always asking how my family was doing. So thankful to know that He is resting in the arms of his Lord and Savior. Love you Bennett family.
