“ I enjoyed talking with Adam during my years at Brayton. He was such a kind and thoughtful man. We would often discuss his family and he would proudly show me pictures of his beautiful granddaughters. Adam played a big role in making me feel welcome at school. He would always check in on me and find a way to make me smile on hard days. He will truly be missed. His family who he loved dearly have my condolences and prayers during this difficult time.

“ I enjoyed talking to Adam nearly every day at school. He would happily and proudly share pictures of his beautiful granddaughters, daughter, and son-in-law. He always had a funny story up his sleeve whether it was about growing up in Poland, fishing with his friends, or spending time at the American Legion or the Elks. We will carry on his tradition of playing the lottery. Adam used to say - "When I win the lottery, I'm going to take you all to McDonald's...in Hawaii." No matter the frustrations - Adam would say "It is what is" shrug his shoulders and give a big laugh. He will be missed. I wish his family peace and comfort during this sad time. Rest easy, Adam. You are home.
