June 10, 1933 - April 8, 2020

Alfredo Muñoz Guzman. June 10, 1933 - April 8, 2020. Alfredo was married to Leonor Muñoz Jaramillo. He is survived by his two sons Marco Muñoz and Walter Alfredo Muñoz, and one Daughter Monica Castellanos. Our greatest hope is to acknowledge our salvation through the power of the Holy Spirit in Christ Jesus. None of us know for sure the hour or cause of our expiration date. My father and mother Leonor lived a very full life without regrets, recalling my thoughts, it seems that now more than ever before are more evident by their absences. As like so many who started a new life here in America. Here in the United States, it was radically different from the simple city of my birth the city of Guayaquil, Ecuador, New York City in the sixties was not only a strange, tumultuous, and at times revolutionary. Somehow my parents managed to confront painfully and at times, suffering situations, not the same but similar in the intensity of today's COVID-19. I do recall how much, family meant and was loved by both our dad and my mom, I do know he loved the majority of his family and were never hesitant to help them in many ways. They prospered in many ways as a result of their kindness and love. Galatians 5:22-23, the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control. Against such things, there is no law. They both had these traits. We will miss them dearly. May the Lord be with you always.
