“ *Mr Jakacki will always be one of my most beloved patients. Exceedingly kind, diligent, optimistic, determined, patient, good spirited, and friendly. He will be sorely missed. His good attitude was noticed by everyone around him. May God bless him and his family.*

“ *My sincerest sympathies to his family. I worked w/ Andy as his nurse case manager. He was such a wonderful, kind man. He will be greatly missed. He was surely one of the nicest people I worked with over the years. I was so sorry to hear of his passing as this was totally unexpected. Patti Flagg, RN*

“ *Condolences to his family. I was his hand therapist for quite a long time and learned to love Andrew not only as a patient but the wonderful man he was. He would bring me 2 beers every Friday in thanks for caring for him. I've been in practice for 46 years and he was my best patient, motivated, caring, and just a great all-around guy with a great smile. He will be sorely missed.*
