“ *My name is Sandra Best, Anthony and my family grew up as neighbours and friends.*

I remembered how he was a caring soul, easy to get along with and always have that smile to capture any sad person's attention.

May God comfort his family at this sad time.

Good night and rest in peace.

“ *It is not often someone crosses your path and enriched your life. You did to me my brother. Over 30 years ago we met and started a friendship that grew stronger over the last 10 years. You were my go-to person for clarification/understanding of NJ regulations. Your friendship meant the world to me. I love our chats when you stopped by my office. You cherished your family and loved your children so much. I will miss you dearly my brother.*
