“ I will always remember my beautiful golden-haired cousin as the person that introduced me to bowling. Yes, bowling! I was visiting from Texas in the summer of 1967 and our mothers (Patsy and Sally) wanted to get us out of the house (and away from them). So, April took me to a bowling alley. She was so full of laughter and fun and was gracious to share her time with her cousin. Rest in peace my dear April.
