After the tears have dried & the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts & in our minds , & they will continue to live on through us. Our deepest sympathies go out to you & your family .

“ *Kasper and family, I was terribly saddened to hear of the loss of your beloved mother. She surely exemplified every wonderful attribute of a loving and gracious Mom because her children, her legacy, are a true reflection of that. My prayers and sincerest condolences are with you all at this very difficult time.*
God Bless and comfort you,
