“ *Carlas james will be missed by so many people. He was always a happy person full of life. He never thought twice of giving or doing anything for you. He was always a family man, this was always important to him he never felt ashamed to always end his conversations with I love you. He loved his children they were his pride and joy. He was a wonderful father to them and a blessing of a husband to his wife. To his siblings nieces and nephews he took care of us all. To his parents he was an angel. He was always the person you seek for advise don't matter the situation. He was always a fun loving and happy person even thru his illness he was always optimistic. You were a fighter and I know you fought hard but the battle has been won, we may have lost you here and if hurts like crap but the victory is in heaven cause I know that is where you are. NO MORE PAIN NO MORE SORROW. So fly high my dear beloved brother I love you. Sherene.*
