“ *Miss Charlotte made an indelible mark on our lives with her kindness, cheer, wisdom, wit and generosity. In 2014 she brought to Georg, my father, a renewed will to live that grew into something of a fairy tale romance that they and everyone around them could find uplifting.*

Her gentle mannerisms spoke peace. Her stories were detailed and captivating. She was generous to our children and played the role of adopted stepmother in a most gracious and heartfelt way.

She is missed already.

I'm so glad of the time they had together. My Mom thought the world of Georg and all of you as well. I only wish they could have had more time together and that I could have gotten to spend more time with your Dad.

“ *I will always remember my Mom's smile and her laughter. Her excitement when I would visit and her sadness when I would leave. She took care of my Brother and I making many sacrifices along the way. In her final years she found much happiness with her friends and her companion Georg Kattermann traveling to Europe and many places in the United States. You will always be remembered and loved.*
