“ Marie, Freddy & Family ,

Sorry it took so long to write this . As you both know, life can change in an instant , sadly .

Maria , I am so very sorry for the loss of your beautiful baby . When my mom told me at the time, I was running with her from doc to doc , but I prayed for you , for all of your family . You & I go way back , Maria & I've always adored you . You were always kind to our ' mama ' at the shop . She truly loved you . When I'd come to visit her at work , I really enjoyed chatting with you as well. No matter what kind of day we were having , you & I always managed to laugh . I miss those days more than you know dear friend . The biggest reason I miss those days is because we still had most of our loved ones here, on this tough place called ' earth ' . Life just seemed more simplified then . Of course the occasional pain in the arse client (I said 2 shampoos!!! ... don't get my eyebrows wet !! Blah Blah blah ' (give us those problems , we'd gladly swap !) ... anyway , even when I'd call to talk to my mom (showing our age :/ back b4 cell phones) , when you'd hear it was me on the phone , you'd always get on & chat with me & I always enjoyed that sweet friend . Always .

I also must say , you & ' our mama ' were always busy !! I knew of no one who could multi task like mom & talk about talent ? :O not being partial , but she did the most outstanding finish work I'd ever seen & still have yet to see ! I always joked with her (but meant it) , sure ma, I'll do your clients if you are out or sick , but I don't finish work like that ! And you my friend , always running & Mama always wanted YOU taking care of her clients . You were outstanding at your job as well ! She always praised our lord & instilled that in us my friend ... and I'm so grateful for that ... put Jesus first & everything else will fall into place she'd tell me . As you know, without our Lord , we can do nothing .

I wish I could take away your pain , Maria . If I could , I would . I do know this , one day we WILL see all the loved ones we've lost & what joy like no other that will bring ! For now, we must trust God to carry us each new day . Love you , Maria & sending lots of love to your beautiful family ! John .
