“ Bobby worked for my ex husband for many many years In Hell’s Kitchen ... my sons were babies when he worked at the Bull Moose saloon ... many years later he worked for them in their fathers bath Dave’s tavern , Bobby was one of a kind , he was from a generation that most don’t understand . He had a heart of gold and would protect you with his life ... he was a character as was My ex Dave Sheeran , when they made Bobby they broke the mold and I mean in that best possible ways . I could still remember his chuckle when he laughed when I think of him now . I never met his son but often heard Bobby speak of him with such love and pride . Bobby was a staple in Hell’s Kitchen and will be genuinely missed them more then he knows . RIP Bobby the Boxer ❤️🙏
