“ From the time I met Danielle many years ago, she remained a trusted friend, always encouraging, always pointing those around her to Jesus, always expressing her love. I'm SO glad the Lord crossed our paths, particularly during those years she attended the Vineyard. She had such a heart for worship and always created a warm and welcoming environment for those who were visiting. It is hard knowing that she isn't walking this earth with us any longer, but I'm so deeply thankful for the certainty that we have in Christ, that we will be walking the gold-paved roads of heaven together one day.

“ Danielle was a sweet, kind person who loved sharing her crafty side with me after worship service in Passaic. She often brought me extra supplies to play with. She really loved the Lord. She made a difference in Everything she did. She was very talented! My deepest condolences to her family. 🙏
