“ Sean and Jill, There are no words, and there never will be. I just want you to know that my heart broke into a million pieces when I learned of this, just this morning. My Memory of Devon is just seeing him in the Cafe, always smiling. I will never forget him, and I will never stop praying for you and the rest of your family. As I said, no words, other than he's being held in God's arms now. With much love, Karen Oliva.
