“ Your friendship meant the world to me. I was blessed to have met you and that we became a part of each other's lives and family. My heart is broken. I will miss your loud obnoxious laugh. Your jokes. Your hugs. Everything! You had a heart of gold. You were my best friend and I will miss the times we shared together. You made a difference in my life. I will forever be thankful to have been a part of yours. Until we meet again my friend. I love you!
