“*Mr. Eppy, I looked you up today and found that you passed away. I want to thank you for giving my children and I the opportunity to buy your family home in Bloomfield. I know it meant a lot to you just like it does to us. I will always keep you in mind. May you rest in peace.*

“*Uncle Eppy has been a part of my life since I was 3 (now 66). While he was not my Uncle by blood he was just always my Uncle. He had a very unique sense of humor and you could be guaranteed to smile when he was around. His passing was the end of an era of my childhood, but my memories of him will live on.*
