“ Gary, Barbara, Shannon and family, I am deeply sorry for your loss. So many wonderful memories of Gary with my son and their adventures on Wallace St. He was a generous and kind young man whose love of animals were one of his many qualities. I am so very appreciative that we had the opportunity to know him, he will be greatly missed.

*With heartfelt condolences,

“ My Dear Nephew / Godson

I heart is FULL...

On July 20th 1989 I first met you & I knew then I would love you FOREVER!

When you were approx. 4 years old I took you to a fast food Restaurant "Wendy's" I asked what you would like & your reply was french fries :)

When I gave you the fries...Your reply to me was "I love You Uncle Barry".

That day I fell in LOVE with you!

I could go on and on here of the memories but it's just to much right now!

I should NOT be here writing this for you...You should be here writing for me!

Our family had many wonderful years with you and through the good / bad times we would do it again & again with you!

My Dear Nephew you are FREE from your pain and ALL the issues that haunted you thru out your LIFE!

It's now time for you to ENJOY your after life with so many others that went on before you. Your pop Emilio, Your pop Roy, your Uncle Len & Uncle Steve. Your now gonna meet your Grandmother "Olive Marie" who you take after more then you will ever know. Your resemblance to her and your mannerisms and even your eyes are her! If you don't LOVE lots of hugs and kisses might want to avoid her LOL as she is gonna smother you with love!

In closing from here but NOT my heart!

Until we meet again...Be the HAPPIEST you have EVER been!

Forever loved, Uncle Barry
