“ *Our Sweet Aunt Jeanie, I will always remember your interesting story telling ability, especially when you gathered all the cousins together and told the vivid story/fairytale of The Green Gushy Arm, we were all captivated by this gory story that to this day I can hear the expressive, unfolding the scary details of this fable .... anyone else remember??, cousins?? We wanted you to recite this fable every time we saw you dear. You were dearly loved by me, Bob , Michael and Alex, Sorry we could not be with you in your departure from our physical world, but I pray for your comfort again in your journey in eternal life. God Bless you Aunt Jeannie! Love Janine.*
