“ *Joal you will truly be missed. You were such a beautiful person always ready to do something for others. You loved organizing our little luncheon dates and always saying stop by in the morning to have a cup of tea.*

I told you how I loved crepes and a few days later you were ringing my doorbell with your homemade crepes for me and my girls. Even though we only new each other a few years (since you moved to Hackettstown) you treated me like a daughter. I'll always appreciate and remember you checking up on me and the kids. To Joal's family.....we are so sorry for your loss. Cherish all your memories and just know she is with you now on your shoulder as your angel 🙏. Everytime you go out for dinner, she will be with you because she loved to go out and to try something or somewhere new.

She will always be remembered by me.

Rest In Peace Joal....We will miss you
