“ *Sending prayers and words of comfort to the family and friends. Joan was my girl. She always encouraged me to dance like no one was watching and you did her thing on the dance floor. She was definitely an X-Quisite Gem. I'm sure she is watching over us dancing her heart away. Until we meet again Joan. Your babygirl LaWanda.*

“ Growing up, up the street from you, from early childhood to adulthood, you always looked out for me as a "big sister." Y were pure and simple, "FUN." You found real joy in discoveries . . . calamari was one of your discoveries and you were thrilled to enjoy calamari whenever it was on the menu!
You were a dutiful caregiver for Aunt Roverta and that loving gift was your hallmark. Love you . . . be in peace . . . your little sister/cousin, Irene

Joan and my crew vacationed together several times. She was a fun loving person. I remember attending a Line Dance convention with her in Atlantic City, NJ. She shared with me some of the adventures she had while travelling around the world. I will miss her and will cherish the fun times we had.
