“*My deepest sorrow for the most beautiful, open hearted Lady I was privileged to meet during my lifetime. I lived across the street from this beautiful woman for 23 years. My deepest condolences to her husband who I addressed as Mario and all of their families and friends. They were a loving couple. They opened their home and heart to all. I'm sad, yet know God has welcomed her with opened arms. May her soul rest in eternal peace.*

“ To my incredible, wonderful Godmother. You and your brother, (Godfather), and your mother, (Always “Abuela”), were there when I came home from the hospital 59-years ago. We spoke on the phone frequently, as recently as last week, and always ended the call with “I Love You!”. I am heartbroken, but I find peace knowing that Heaven welcomed a new angel on Friday. I know you, Padrino, Abuela, and Dad are all together and are all looking over us. I miss you and I Love You!!

“ I had the pleasure of taking care of Ledys while she was in the hospital. She was the sweetest woman I have met in a long time. Her family is so loving and I can easily see how much love they had for each other. I know she will be missed, but her spirit will live on in all of your hearts. Rest easy Ledys. You have earned it.
Love and prayer,
