“ *Leon was an amazing and accomplished man who was also sweet kind gentle- yet rebel as well. He inspired me and I used him with others as an example in fortitude and always meeting a challenge with quiet strength. His sweet spirit will be missed but I hold him in my heart.*

“ *I met Leon through his sister Lynette. He was an Angel here on earth. His knowledge of natural remedies was amazing. He made a trip to Brooklyn on the train so that I had what I needed to feel better. When he started doing reflexology, I couldn't wait to go see him! Now this Angel is watching over all of us. Leon will be missed but his memory will live with me forever. Prayers and condolences to his beautiful family.*

I met Leon October 2006 and it like a friendship made in heaven we became so close there is nothing we couldn't share with each other. He became my Reflexology, Herbalist and was more like a doctor to me. I surely going to miss him, he was very Passionate about his Essential Oils and Herbs. He never fails to help anyone weather he knows them or not he never forget to ask about them. I will forever LIGHT CANDLES for my dear friend. May the soul of the faithful departed through the mercy of God rest in peace. Sleep my beloved Sleep and take your rest lay down your head upon your savior breast we love you yes, but JESUS LOVES YOU BEST. I will forever love you my dear LEON. ❤️❤️❤️

“ Leon, my warrior. Gosh how this life can change in a split second. Your earthly life was one that you lived selflessly. An angel that was humble, kind, giving, caring, loving, and making a difference in so many lives. I am so fortunate that our path crossed in this earthly life and to see your contagious smile. Now that your soul is rested, your beautiful angelic self will always be with us, always smiling, always caring, always giving, always loving.

My thoughts and prayers for the entire family.

“ Leon and I spoke on the phone for over a year about my health concerns and possible Remedies. I finally convinced him to come to Florida where I was living at the time. He came with Herbs and Essential Oils to enlighten the people about HEALTH. He was very passionate about helping those that wanted to be helped. I learned a lot from him. He was my Mentor, my Herbalist and most of all he was MY FRIEND, It seems I have known him all my life. I will miss our long talks of encouragement and guidance, but his time on Earth has come to an end. He will always have a special place in my heart. I truly loved him. May he rest in PEACE. “ Leon is the epitome of what a Beautiful Angel is. An Angel on Earth who has transitioned to the Other Side. He was a chosen one from God. An honorable healer to help the people. He helped heal me. He helped heal my mind, my body and my spirit at a time in my life I needed it the most. He taught me all about reflexology and what oils to use and how to use them on my feet and hands for healing. Even on my temples. Till this day, I use his technique and I believe I am medicine free because of his teachings. He taught me about the damaging affects of breathing in harsh chemicals from household cleaning products. I've taken Leon's advice and have run with it for over 20 years, a lifestyle change that has helped heal me in tremendous ways. He was indeed a Master of his Craft and wanted the world to be a better place for all people. Both Leon and Lynette are near and dear to me and I will forever love them. I send my heartfelt condolences to the entire family and I'm sending so much love and light your way.

I know Leon & his whole family from Guyana. His parents had a store & he was such a helper, & was there for Auntie Lucille all the way. He helped his Mom & all his siblings. But we lost track of them & just the other day I got in touch with one of his cousins & was asking about all of them & Leon, but to dismayed to receive news the next day that Leon died. May he rest in peace. My deepest condolences to the whole family.
