“ *Lois Ann and my mother were first cousins. Growing up in our family meant many family dinners and parties. Lois Ann always had the coolest photo albums and scrap books that she enjoyed sharing with me. When I was 12 she was 23 and we went with my grandmother and younger brother on a road trip to Massachusetts. It was a great trip that I have never forgotten.*

I will miss my cousin very much! Rest In Peace

Love,

Barbara Ann and family
