“ My dad, Claude E. Nash, was my aunt's baby brother. She loved him so much and had missed him since his "home going" in 2010. Today they are together again!

Aunt Lois was my pen pal for many, many years. During my college years, I could always expect letters and homemade cookies enjoyed by all my friends. Easter cards, Christmas cards, birthday cards...no matter the holiday...her cards were there. When I was a tiny girl, the first letter I "wrote" was to Aunt Lois. Several years ago, she sent me my first letter and pictures I had sent her through the years. What a treasure-my first letter and my Aunt!

“ Lois Moffat was my beloved Great Aunt. I have many cherished memories of family gatherings at her home-the tables set beautifully and the food always delicious! She made the best Christmas cookies and put them in home made baskets for our enjoyment. Over the years she has sent me many recipes and was always faithful to send me note cards on a weekly basis. I loved her very much and will miss her. She lived a long life and now is at rest.

*Love,
Barbara Ann*
