“ Dear Michael,

*your battle is over.  
It's too late to try again to convince you that  
"What are you tryin' to prove  
it ain't true  
That your life has kicked you."*

*You did not follow Pied Piper, cause you were him.  
Sitting on the bench with your flute and trying make people happier  
with your music.*

*Now you have joined all the good ones and your soul is at peace.*

*Mike, I was just about to send flowers to your memorial ceremony,  
but suddenly I realized that you would once again prefer to do  
something good for others. So I decided to donate to a charity in  
memory of you.*

*Rest in peace Michael.  
I will never forget you.  
H.*

“ You are now home with our Heavenly Father where there is no suffering, no fear, no hunger or cold. You've left the travails of the body behind. We left here need to bear the heavy heart that your early passing has left with us. May you Rest In Peace in the arms of our Lord.

*My heartfelt condolences to my Schanzenbach cousins. My thoughts, hearts and prayers are with you as during this difficult time*

“ May the Lord welcome you with open arms. You are finally at peace. The fight is over, you're body is at rest. Though we mourn you're passing you are in a better place. The spirit that passes disturbs not the night, but given wing flies off to heaven. You're loving brother Charles

“ My most sincere condolences to the Schanzenbach family. Michael was too special, too beautiful of a spirit for this world. He has left a void in all of us. I will never forget his kindness, his generosity, his enthusiasm, and his love for people, for animals, for music, and for the world. Now he has joined "The Great Gig in the Sky." Rest in peace, our brother.  
We will miss you and remember you always, Mikey.  
With grief in our hearts,  
M. Bialkowski and the entire New Hope family

“ Michael, you were a very polite, respectful, kind and humble spirit. You continued to be singularly musical, loving your Rock-star Icon, Janis Joplin, of her blessed memory, till death. You remain one of the awesome persons that passed through New Hope Behavioral Health Center, Irvington, NJ. Like every human being, you had your share of difficult and unpleasant moments, and such is life, in human body. No more pains, no more pains; you are free and free, as free can be. Soulful, you were. Fly, fly to The Lord. No more pains. We are missing you and shall continue to miss you, brotherman. Your strong belief in Jesus Christ remain memorable. Peace & Love. Rest In Perfect Peace, With The Lord. Amen. ( Dr. Harris Enabulele & Family, October 24, 2016 )
