“ I just see this as I was thinking of him and googled his name, and saw this. I know he is heaven and I know I will see him again. He became my client at le there's in the 90's . I loved his humility and sense of humor. Great character and amazing business person.

“ Dad you were there for me to guide me, to correct me, to save me , to discipline me , to console me , to love me , to make fun of me , to laugh with me ,to talk to me. you loved to talk.
I had many dreams about you when you were here I don't know what kind of sign that was but it had to have been a sign of something. Life is just not the same You kept things together you were the glue. You were the best Father , serious when its time , loving and joyful happy and full of jokes /laughs. Loved to be with Family , YOU WERE GREAT DAD , I miss you like crazy.
