“ *I am so sorry to hear about Pam! Her daddy was my first cousin and Vivian kept my son for many years! You will be missed! I knew you were having some health issues but this really suprise me,
I pray that God will wrap His loving arms around all your family and friends and give them peace and comfort?

“ My condolences to entire family. Pam was my first cousin and about the only one I played with when we were young. We were close, talked on phone a lot and never had a cross word. Her Dad and my Dad were brothers. I lived one house from her all my life until I married and moved. Pam fought a great battle, but, I know she is in a much better place. RIP Pam....I love you!!❤️❤️
