“ Ms. Tonnies was my second grade teacher at Brookdale school. I recall that it was her first year teaching. Would have been around 1971 or 1972. She had a big impact on me. I remember her being very athletic and playing with us during recess or even after school. I'm sorry I missed her passing until now. May she rest in Peace.

“ My deep condolences to Dan, Linda, Jodie, Jason and the entire family. I have such wonderful memories of “AP” when spending time with the Tonnies family during my childhood. She was an amazing aunt to Jodie and Jason and their relationship was very special. When I began teaching music in Bloomfield, I had the opportunity to be one of her colleagues at Fairview School...her endless energy, devotion and dedication to her classes was inspiring. May memories bless and comfort her family and friends in the days ahead. Rest In Peace. ❤️

Thank you Maira! AP was the best and there for all of us, always. I am sure she is smiling reading these posts as she sips her Pepsi, while watching the Yankees! I really appreciated reading your memories as they are a comfort at this time. With love, Jodie
