“ The Whelan Family ~ My heart goes out to you all, for you lost an amazing man. I was lucky to grow up around one of the best families I have ever had the privilege of knowing. I loved the big family, the crazy full house of people, the laughs and sarcasm and that feeling that you were ALWAYS welcome! Mr. Whelan was just a great person and such a devoted husband and father. Those who were lucky to know him were truly blessed. May he rest in peace and be with those he has lost. Patty is with her Daddy now.

“ *Uncle Paul, I will miss you dearly. I so enjoyed having you and Aunt Pat stay at my house when you came out to visit. Your funny, charming wit was what made me us all love you so much. When you would leave to go home, you would hug me good-be and say "I love you". You will never know what that meant to me. I have so many good memories of coming to your house as a kid, to bringing my kids to your house to share some of the same memories I grew up with. The chaos, the love, the sarcasm. it's what I loved about visiting. I am grateful my children got to spend time with you and our crazy Whelan family. I love you and hope to see you again someday.*

“Fare infinitely well,
You who have valorously dared
This last, unshared
Unending and all-perfect quest;
You who at length can tell
The things God has prepared
Are best,
Are best.”

...from a poem by Sister Madeleva Wolff

My heart breaks for the Whelan family. You have suffered a stunning loss. Paul was a man of extraordinary humanity. How blessed were we who had the privilege of knowing him.

I grieve with you,

“ My Dear Brother Paul. I miss you so very much, but I'm not going to say goodbye. I'm going to say till we meet again in that beautiful, loving new home Jesus Christ has prepared for our next life together. I will miss all those great trips we made to the Air Museums, and most of all regret that we didn't get to go again as we had talked about. I remember all the fun get together's, birthday's, weddings, etc, that we got to enjoy at each others homes. I'll never forget what a loving, and happy Brother you were. Pray that you are having a joyous reunion with Patti, Mom and Dad, brother Art, and all our family members that have gone before us to the new home Jesus has prepared for all of us. You were such a wonderful brother, you will always have a loving place in my heart. Brother Hank

“ Dearest Whelan Family. So saddened by the loss of our loved one. Want you to know that your family is also my family too. Really hate that Paul didn't make it but God knows best. He saw that he was so tired and he couldn't stand much more so he said "Paul come with me to a much better place where you will never have to endure any more sickness and will be so happy with the place I have prepared for you. You will be with your mother, Dad, Art, and your daughter and grandbaby. They are awaiting your arrival"
I know how hard it is for you all but just remember all the good times and the wonderful memories. Love each one of you and pray for peace and comfort.
