

Pedro Huaman

June 29, 1967 - June 17, 2021

Pedro Huaman was 53 years old when he passed away on June 17, 2021. He lived in Verona, NJ. He is survived by his beloved wife Iwona Huaman, his three children Evan, Matthew and Patrick Huaman, his mother Ninfa Chavez de Huaman, his brothers Jose, Miguel and sister Aleida Huaman, his father-in-law Marian Dziadyk and his brother-in-law Pawel Malawski. He was predeceased by his father Florencio Huaman and his mother-in-law Irena Dziadyk. Pedro was the one who brought all the school awards home since he was in first grade, as he was always curious and eager to learn, always a good student, something that he never lost through his years. He was involved in sports since he was a teenager, wrestling competitively against the toughest opponents and playing soccer. He also enjoyed roller skating and riding his bike during his free time. Pedro loved to dance, he was a good dancer; however, he was better and the best at accomplishing anything related to computers as many of you know. He was very much loved and adored by his family, friends and co-workers. Pedro was a wonderful son, an amazing, caring brother and always offered a helping hand to anyone in need. Pedro was the most wonderful, loving father, who dedicated his life to his wife Iwona and his three sons, who were his world and light as he was for them. He loved to cook for his family and he was exceptional at that too, again better than his brothers and his only sister: who is Vegan, but no one could resist Pedro's cooking. Everybody loved Pedro's famous Peruvian rotisserie chicken with his special salsa verde as it was frequently requested for dinner by his

family. He would make a joke out of nothing, so he kept everyone on their toes, moving and learning how to navigate through life with a positive attitude. Regardless of the person, he always found the right words to say and even added his own spin of humor to it. He loved to be a family guy as he was the happiest spending time with his loved ones, always thinking about his family before himself. His joyful spirit will live forever in the hearts of all those who knew and loved him. It's impossible to resume Pedro's life in a page or more for that matter as his life was indeed, larger than it could ever be put in words. The day before his passing, Pedro was promoted to Senior Network Security Administrator for NJ Compensation Rating Inspection Bureau. He was so excited to tell all his loved ones of his most recent accomplishments that he had been working so hard for the past few months. The Huaman family is most grateful and thankful for all your support and your company at this devastating time. Blessings to all.

“ Pedro was a great guy to work with. Always there when you needed his help. Always sharing stories of his wife and kids. He will truly be missed. My heart goes out to his family in this difficult time

“ Iwona, Evan, Patrick & Mathew,

As you know, your husband & Dad was one of a kind. I had the pleasure of meeting Pedro @ NJCRIB and for many years our cubicles were across each from other. He was a great human being, with a caring heart & values, who conducted himself with such professionalism. Always helping whenever it was needed & he was brilliant @ his work.

My family and I moved to GA in 2007, but we remained in touch with an occasional call to wish each other happy birthday or a simple hello. The last time we spoke was on August of last year. We talked for a while catching up & especially we spoke about our children, their interests & career paths. He was so proud of his boys and loved you all so much. You were his joy and pride!

Pedro will surely be missed, but he will live in the memories of all of those who appreciate & love him. Rest in peace in the arms of God my friend. My heartfelt condolences to the Huaman family.

“ *Iwona, Evan, Matthew and Patrick,
This is so difficult for me but I know it's doesn't compare to your pain of losing a husband and father. Pedro was a genuinely kind person and true family man. He would share stories about your accomplishments and busy parenting schedule but always in a lovingly fashion and busting with joy and pride. He adored you all.*

I will forever remember the last time I saw him. He stopped by the house to drop off a retirement gift and due to Covid we were distant but then trusting that we were ok, before he left we gave each other a good bye hug and I gave him a big Thank You for all his kindness, patience and the Polish chocolate bars throughout the years.

Rest Easy Pedro and be at Peace.

Pedro was, quite simply, one of the nicest, kindest people I have ever had the privilege of working with. He unselfishly gave of himself to help anyone asked for it - and always with a smile. Pedro, you were a truly exceptional man and will be sorely missed by all who had the pleasure of knowing you. Our most sincere condolences to your family. RIP.

“ Dear Huaman Family
I spoke with Pedro the day before his passing and as usual, he was his bright and sunny self joking on how I am the only person who doesn't have a personal computer but when I was to get one, he would set the whole thing up for me. He always had a smile on his face and always was willing to help. He always spoke very highly of his family and how proud of his boys he was and how much he loved his wife. Pedro and I share the same birthday and I would always contact him to give my best wishes or if we were in office on that day, I would buy him a cup of coffee. I am saddened to lose such a wonderful co-worker. You are all in my prayers. May he rest in peace. Diana Mollica and Family.

Dear Huaman family. I did not know Pedro very well. I only spoke to him for a few minutes on the phone last week regarding a work matter. I came to find of his passing yesterday when I sent him an email and I was truly saddened. Although we only shared a brief phone conversation, I felt very connected to him and could sense his kindness and humanity through the phone. May he rest in peace. Prayers to your family Pedro.
