“ Last year I went to nj to fly to pr. When I came back, I visited fil and Aimee. They took me to eat with fils father Pedro. We had an awesome time. On the way home, Pedro reminds fil about his at his house not eating for 2 weeks. We went from Elizabeth to woodbridge petco to get the food. It turned out to be an all day event. We were laughing and just having a good time. So blessed for the privilege to be able to have spend these precious moments with fils father. He was a true gentleman. I will always cherish these priceless memories in my heart for all time.
