“ *Oh my uncle you'll be missed dearly. I'm in memory of the good old days of us paddling in the Demerara River fishing. Better memory of you being around making sure you take care of my mom (Your sister) and all of us. You were a great father figure to me that i connected with your children as my brothers and sisters. Was so delighted and happy to reunite with you again in the US after being away for some years. So loved you my uncle! Sleep in peace...Pappy (Compton Ganesh).*
