“ Samantha and Carl, and then Sam have been neighbors and friends for 45 years. We couldn't have asked for anything better. We've shared meals, and family stories, and helped each other out with plants and newspaper care for years. Samantha was a terrific woman. Loving, kind and generous. We will miss her. Lynn and Tom

“ *The Finnerans have been our next door neighbors for almost 34 years although we knew them for an additional 3 years because Holly and our oldest son, Will, were in nursery school together. Holly was always in and out of our house with our boys and she and Samantha shared family celebrations with us, getting to know our entire family. The Finnerans were invited to my sons' weddings and we celebrated with Holly and Joe when they married. Samantha was always there to help when I ran out of an important ingredient for something I was cooking. She was also my Women's Club pal who would accompany me to events at the club. I enjoyed sitting on her patio and talking at the end of the day or having tea in her kitchen. We will miss her terribly.*

“ Samantha was a dear and a very precious friend over many years. I first met her when we became neighbors in the fall of 1990. We were new to New Jersey and Samantha reached out a hand of friendship to welcome us and help us get acclimated. We shared many lovely times together. One that stands out was traveling to England with her and getting to know her family and the place she grew up in. We considered Samantha and her family to be an extension of our family and she will be sorely, sorely missed! May she rest in eternal peace..
