

Sandra Marlene Charles

January 7, 1959 - March 2, 2016

Sandra blessed this earth on January 7, 1959 in Detroit, Michigan as the second daughter of George and Marlene Webb. She grew up in Jersey City, NJ and attended PS#39 and Snyder High School during her formative years. Sandra then went on to New Jersey Institute of Technology to obtain her degree in Chemical Engineering. Sandra proved her intellectual acumen early in life having received Valedictorian status, and graduated early from both High School and College. She began her professional career at EXXON Corporation and shortly thereafter ventured into the world of entrepreneurship. Sandra started two companies during her time here: SANDAQ and later BI Group. Sandra was always open to a challenge and setting an example. Sandra looked for ways to help herself, her family and her community. She would often volunteer her time to speak to students at NJIT at provide any guidance so that future generations would have all the tools they needed to succeed. Sandra welcomed everyone in her home and made time to lend a listening ear, no matter the day nor the hour. She never judged and always offered words of positivity and optimism. Although she was very well accomplished academically and professionally, the accomplishment for which Sandra was the most proud of was her beautiful children: Sean, Portia, Austin and Noelle. Sandy as she was affectionately known, was born to be a mother, nurturer and teacher. She would make sacrifices to support all of her family and friends. The impact she had on everyone she met was far reaching. She touched lives. What was most astounding about Sandy was

she enjoyed celebrating the happiness and success of others more than her own. This often showed in her infectious smile whenever she heard good news or greeted a friend. Sandy did not let anything stop her from fulfilling any goals. She never gave up, quitting was not in her nature. After having four children, she went on to earn a MBA from Duke University's Global Executive Program. She was a "Super-Mom". Sandy loved dancing, particularly salsa. She was an amazing woman with an upbeat nature and 'go get it' drive that will be sorely missed by all. Surviving are Sandy's husband Yildirim Yilmaz, father George Webb (Aurie), Four loving children Sean, Portia, Austin, and Noelle, sister Sheryl Broughton of Virginia, brother Eric Webb (Earlene) of North Carolina also a host of loving aunts, uncles, cousins and friends. Sandy is predeceased by her mother Marlene Bluford Webb, husband Kenneth Edward Charles and brother Darryl Thomas.

“ *To the Charles family I send my deepest condolences. The world has just lost a bright shining star, I always thought she lit up every room she entered. Her beauty grace and intelligence were only what we all saw, to know her was truly a gift from God. I shall carry that gift of knowing Sandy in my heart for the rest of my days,*

“ *My dearest sister Sandy, my heart is so heavy right now. I have so many fond memories of Eric, Sheryl and all our friends going on trips and excursions for the holidays, and you and Sheryl always giving us the most loving big sis advice as me and Eric practiced our youthful mischief (smile). I will always treasure the fun times, and more recently the fun we had with 3 of my sons at the ceremony in "the Castle"! It was so good to see you laugh so hard that day, I still hold it dearly in my memory. May God be pleased with your soul and your wonderful works that you displayed so perfectly while he lent your life to us during those wonderful years! I appreciate everything about you my dearest sister and I will miss you beyond words. Thank you for your love and kindness. (Feeling very sad as I type). Eric, Sheryl, family, and all the children that I haven't met or haven't seen for so long, I pray for your comfort and peace during this trying time of bereavement and I will keep you all in my prayers. May the Peace and Blessings of the Almighty be upon every last one of you!!*

“ *From Catherine Neal-Williams,*

How I remember this beautiful sister friend, whom I've met in elementary and high school.

Many asked us if we were related, we would smile and nod and said no.

Even after years of not seeing each other we would greet one another with a hug and smile. Heave has received another angel.

RIP Sandy.
