“ Ive known Shadae for only a short time but in that time I learned many things about her. #1 was her strength. She had the ability to maintain despite any and everything. Her physical state did not alter her spiritual state, her character or the way she interacted with others. Such an amazing young women.

I know that this was attributed to the love that surrounded her all of her life. The same love was seen, felt, and admired by me everytime I interacted with the family. It made me smile when the mother me inwardly shared in your pain.

To her mom and sis, I pray for peace and continued strength. May her gentle caring and protective spirit be felt all around you as she continues to watch over you. You couldn't have asked for a better Angel...(Amen)

To "Ms Shadae"as I lovingly called you. Even in your distress you were a inspiration and an impressive young woman. Although saddened, I have relief in knowing you are now free. Forever Rest In Paradise until we meet again. I can't wait.

*Love and Peace to all...

“ *Baby Girl,*

*I always considered you the daughter that was born before we met.
My heart is crying tears of sorrow and sadness.
God makes no mistakes, he didn't want you to suffer any longer.
You are now at peace.
As a family we will raise the children, and we know you will be
watching over them too.*

*Love You
2nd Mom*
