“ My memory of Tina is a ever smiling cousin. As a student when I met here she was one to aspire to be as she seems to enjoy work and seems good at what she does. Condolences goes to my Valerie and cousin Cassel as you go through this time of grieve. No one but God can comfort you during this process. My prayer is that you will remember Tina's beautiful smile always and enough to also make you smile.

“ Dearest Tina Louise!! I don't even know where to begin. We first met at 13 years old we were about to enter High School. I met you thru my cousin however we became fast friends and more like sister's and even though there were times where we wouldn't speak for a while because we were doing this thing called life, we always found our way back and this was one of those times! We shared deep secrets amongst each other and gave each other what we thought was our best advice, even if it wasn't something either of us wanted to hear, we always knew it was coming from a place of love and trust. I'm going to miss you!! Sleep in Heavenly peace and if you happen to see my mom tell her I said hello, this was one of those life events I never got to share with you. I love you!! Tina Louise Elizabeth Spence Boyd. Job well done!!!

We all have personal life issues to care for and resolve. In her case I put other matters aside to help her with whatever she needed help with. I took the time to aid and help her out always. She was for me the go to for advice. Meeting her the very first time, we became friends, and I am so proud that in little time she became the God-Mother of my Youngest Daughter, Tiffany. I will miss her for so much love, and care that she gave to so many people in so many ways.
