“ *Veronica and I became good friends through work. She always made time to help me out with my little ones, who are the same ages as her children. Always putting others first and with a smile on her face and an amazing sense of humor. This is how we will remember her and will always continue to be there for Darren, Michaela, and Jason.*
- RIP VO.

“ We will never forget whenever Veronica came to drop off and pick up Michaela and Jason from the Boys and Girls Club. She always stopped into our office and would tell us the funniest stories ever. She was always such a happy person. Always wanting to help or do anything for the club. We will surely miss her laughter and smiling face. She will forever hold a special place in our hearts! RIP Veronica. Love, your Boys and Girls Club Of Clifton family

“ My first bff from childhood is with our father now. Remembering how we used to talk with each other with the string in the can bit through the windows from one building to another in Union City. How we used to cook together making tapioca pudding and mac & cheese. Remembering our outings,, our talks. All of the other stuff we used to do, will always be in my heart for safe keeping. I am grateful to have had you in my life and making you my daughter's ,Gina, godmother. Life took us to different directions and I would have loved to have shared more with you. Not a day goes by throughout these years that I didn't think of you and our childhood. May God embrace your husband Darren and your two beautiful children, and your sister Carmen, with his loving arms with comfort and peace.

Rest in eternal peace- Veronica Ann Meyers

I can't find the words! In my mind it is inconceivable that you are gone . . . I'd hoped for a miracle then realized that you were the miracle, my courageous, funny, compassionate, loving, and relentless friend. May God keep you by his side, where you truly belong and may the grace of our Lord protect and guide Darren, Michaela and Jason. Rest in peace my dearest V, until we meet again.
