“ I was blessed to meet and work with Wednesday at ETG, she was a spit fire, yet kind, sensitive and sweet. I miss her. May you rest in peace and I pray that your children are covered with God's love and grace. I pray that they remain strong, knowing that you loved them sooo much. They have an extra angel watching over them now. God Bless.

“ Wednesday was my best friend. I miss her everyday. In everything I do. The loss is tremendous for me and my family. I will never quite be the same. Wednesday was an amazing woman, mother, and friend. My condolences and deepest sympathies are with their family even still. Not a day will go by for the rest of my life that I will not feel her loss, and the grief shared by her family, especially her children.

“ I haven't seen Wednesday in many years, since our days at Capri in beauty school. I stayed in touch for a while but we lost touch a few years ago. I am so sad to hear she has passed. My deepest sympathies to her children, mother and family. Rest easy, Wednesday.
